## Shriners In Arab Patrol

Originality Reflects Credit  
on those Responsible.

Honolulu, November 20.—With thirty-eight candidates to lead to the sacrifice and mysteries of the temple, the Nobles of the Mystic Shrine took possession of the main streets of the city at 2 o'clock this afternoon. In full panoply and flashing scimitars the Shriners began their parade from the Berea avenue entrance to the Knights of Pythias hall, the line of march being on Fort street to King to the Capitol, thence to King to Alakea to Berea and back to the starting point.

The Shriners marched with the Arab Patrol band and the Arab patrol was in line, full strength under the command of Sam Johnson who put the Nobles through their fancy drilling stunts for the edification of the multitude that thronged the sidewalks along the line of march. Shriners are not known for a lack of originality and today's parade reflected credit on those whose fingers have been working merrily in preparing for the proper schooling to the thirty-eight aspiring and trembling candidates.

The high officers of the order of the Fez were all in line, Potentate Charles G. Bockus being followed by the chief rabban, Robert W. Breckons, accompanied by James S. McCandless, assistant rabban. Next came the high priest and the prophet, Arthur G. Hodgins and following was Charles G. Bartlett, oriental guide. Next came Frank E. Richardson, marshal and Geo. H. Angus, director. The alchemist, H. J. Grindell and E. Munro, past chemist, were next following in the line of march was Christian Storm, standard bearer and in his train was the camel, assistant director. Following came the nobles by twos, the ceremonial masters, the dragon and the Arab Patrol under command of Samuel Johnson and finally the policemen, novices—more policemen and the fire department.

The feature of the parade was the drill of the Arab patrol in Union Square. Sam Johnson, who commanded the Arab patrol that went from Hawaii to the Los Angeles conclave, brought the men up to a high standard of efficiency and the drill in Union Square was the most interesting feature of the day.

The services were led off by the Dam family, consisting of L. M. Whitehouse, contractor of the Nuanu Dam, as Dam, S. S. Paxton as Mrs. Dam, and P. F. Rosecrans as Baby Dam. Cecil Averdam had to play the humble part of the Dam dog.

A. H. Hobart, connected with the dredging operations in the harbor, dragged a small dredger through the streets, his task being to give an illustration of making a canal along the line of march. Ray Jones appeared as Moanahua, bearing a placard upon his back labeled "Tee Hee." Charles R. Frazier of advertising fame, appeared as an animated or human billboard, to which no aesthetic member of a civic art organization could find objection. F. A. Batchelor was a good old-fashioned corn doctor, bearing the legend "I blow, they go—so do I."

Harry Burns tried to look natural in a tailor-made convict's suit. W. L. Decoto marched in the guise of a butcher. George Freeland, the giant hotel man from La-

## Bazaar is a Success

Packed House Greeted Musical  
Performers.

The concert and sale given at the Alexander House last Saturday evening by the Women's Guild of the Church of the Good Shepherd was a decided success, financially and otherwise.

There was a large gathering to listen to the concert and the various soloists were roundly cheered. The violin solo by Mr. Pogue was well applauded as were also the solos by Miss Leigh, Miss Balcom and Miss Center. The trio consisting of Mr. Pogue, violin, Mr. Lufkin, cornet and Miss Mary Hoffman as pianist was well received.

After the concert two cakes, one containing a gold thimble and the other a gold ring with a jade set were sold at auction, Mr. Lufkin acting as Auctioneer. The cake containing the thimble was bought by the auctioneer and the other was sold to Mr. D. C. Lindsay for \$21. These articles were donated by H. F. Wichman the Honolulu jeweler.

The people then repaired to the rooms where many useful articles were being sold. The prices being reasonable they were sold fast. Ice cream, coffee, and refreshments were also served, and assisted materially toward swelling the receipts.

About \$500 was realized which will be used toward the new church building.

haina, made a good Happy Hooligan, and Hugh Howell was rigged as a Chinese mandarin. W. R. Coombs held the umbrella over the august eranium of Potentate Bockus, Lieutenant D. F. Quinlan and Merle Johnson tried to ride fractions and coltish hobby horses. J. M. Mackinnon looked natural in kilts. John Marcellino was attired as a Chinese mandarin. He looked natural, but could not keep his queue on straight.

The new features of the Shriner parade are the Arab patrol band and the Chinese dragon.

This morning Potentate Bockus received a cablegram from E. C. Crown at Cheyenne, Wyo., reading: "Aloha Nui. With you in spirit today." The cablegram also bore the name of Heastand.

The ceremonial session concludes at 7 this evening, and at 8:30 the Nobles assemble at the Young for the banquet. No time has been fixed for the hour of adjournment.

## Wailuku Gets Much Needed Improvement.

A much needed improvement has been made to the Wailuku Post-office by the Supervisors of the County of Maui.

This week acetylene gas lights were installed in the office and a large light placed on the veranda for the convenience of the large number of people who go after their mail on steamer nights.

In the past Postmaster Tim Lyons provided a lantern for the use of the public but the light thus furnished was very dim, and the public will be delighted with the change.

The office of the Board of Supervisors has also been fitted out with acetylene gas lights and the County Fathers holding night sessions hereafter will not "be in the dark."

The light has been furnished from a generator owned by Senator W. T. Robinson.

Honorable H. P. Baldwin went to Honolulu last night. He expects to be gone about ten or twelve days.

Rev. Cannon Ault and Mrs. Ault went to Honolulu Monday evening. They are expected back this morning.

## Farewell Dinners

Are Given to Ferdinand  
Hons.

Friends of Ferdinand Hons gave a farewell dinner in his honor Friday evening at Kahului.

The dinner was at the Kahului Club Hotel and was largely a tender. It is reported that a very pleasant evening was enjoyed.

On Saturday evening the Elks gave a farewell dinner to Mr. Hons. The dinner was postponed until a late hour in order that a number of the members of the herd might assist at the concert and fair given by the ladies of the Guild.

The dining room of the Kahului Club Hotel where the dinner was given was tastefully decorated with the colors of the order while on the table were four large acetylene lamps decorated with appropriate colors.

The following menu was served: Cocktail, Oysters Raw, Sherry Wine, Celery Soup, Olives, White Wine, Fresh Lobster Salad, Claret Wine, Roast Turkey, with Oyster Dressing, Cream Sauce, Creamed White Potatoes, Early June Peas, Champagne, Nuts and Raisins, Swiss and Roquefort Cheese, Coffee, Cigars, Tea.

The usual number of good stories were told and expressions of good will toward the departing brother were expressed.

A handsome stein set was presented to Mr. Hons. It was an Elks set and will doubtless be highly prized by the recipient.

Among those present were F. Hons, J. B. Thomson, C. D. Lufkin, C. Waldeyer, Hugh M. Coke, D. T. Carey, W. H. Walker, Capt. Parker, W. Searby, W. Lougher, W. W. Wescott, J. D. Kennedy, Captain Wickett, C. Hansen and W. Walsh.

## Cane Fire in H. C. & S. Co.'s Field.

On Friday night, the 19th inst., about 8 o'clock, fire was discovered in Field "C," Camp 2, of the Hawaiian Commercial & Sugar Co.'s plantation.

An alarm was turned in and immediately help arrived on the scene quickly put out the flames. There was not much damage done as only fourteen rows of cane were destroyed.

The origin of the fire appears to have been incendiary, and Sheriff Saffery has offered a reward of one thousand dollars for information that will lead to the arrest and conviction of the party or parties who set fire to the cane.

There have not been any differences between the company and its employees in the past and there appears no reason why any person should maliciously destroy the company's property.

The Claudine went down Tuesday evening instead of Wednesday evening this week. In consequence of this there was a small passenger list.

D. W. Burchard of San Jose, California and more recently a practitioner of San Francisco recently arrived in Wailuku and will open a law office here. He went to Honolulu this week and expects to be admitted while there. Attorney Burchard is a brother-in-law of W. F. Cole of the Kaupakaha Wine and Liquor Company.

Miss Marie Grove has accepted a position as stenographer to County Attorney D. H. Case. She was recently employed as a stenographer in the Governors office.

Senator W. T. Robinson returned from Honolulu where he went to attend the annual meeting of the Mystic Shrine.
